### It is important that you read this document

This information will help you to choose a financial adviser that best suits your needs. It will also provide some useful information about the financial adviser that you choose. In addition to the information that I must disclose to you in this statement, I must also disclose other information to you in a separate disclosure statement (or statements), including information about the types of services that I provide, the fees that I charge, and any actual or potential conflicts of interest. If I have not provided that information to you at the same time as I give you this statement, I must provide it to you as soon as I can.

### What sort of adviser am I?

I am an Authorised Financial Adviser. This means I have been authorised by the Financial Markets Authority (the government agency that monitors financial advisers) to provide the financial adviser services described below.

### How can I help you?

I have been authorised to provide you with financial adviser services of the following categories:

- Financial advice
- Investment planning services
- Personalised Discretionary Investment Management Services (via DIMS Class License, Totara Wealth Management Limited)

I am permitted under the Financial Advisers Act 2008 to offer a personalised discretionary investment management service (DIMS). Under a personalised DIMS, I make decisions about how to invest your money in financial products on your behalf, based on an investment strategy that is designed to take account of your particular financial situation and goals. I do not charge fees for this service. You will hold the financial products through a custodian.

Investing through a personalised DIMS has risks. Under this service you give up some control over investment decisions, and rely on my decisions. The value of your financial products invested in through a personalised DIMS could go down as well as up. It is possible you will not achieve the returns you expect and will not receive all your investment back. Different personalised investment strategies have different levels of risks relating to the financial products being invested in and their management.

When I do this, I will be able to give you advice about:

- financial products provided by only 1 organisation.
- financial products provided by a small number of organisations (2 to 5 organisations).
- financial products provided by a broad range of organisations (more than 5 organisations).

## How do I get paid for the services that I provide to you?

*I am required to tell you the specific fees, commissions, extra payments, and other benefits that I have received or will, or may, receive in relation to the services that I provide to you. I must tell you these things before I provide a service or, if that is not practicable, as soon as practicable after I provide that service.*

## What are my obligations?

As an Authorised Financial Adviser, I must comply with the Code of Professional Conduct for Authorised Financial Advisers. I also have other obligations under the Financial Advisers Act 2008 (including regulations made under that Act) and under the general law.
